ANTARA
VILLAS

EXCLUSIVE
SPACES

Designed to be different, there are three distinct villa neighbourhoods. Each offers options from 3 to 5-bedrooms.

Monaco with its vividly painted facades, Capri with its neighborhood park, and Santorini with its lush green walkways.

Every home is embedded in abundant landscaping and the architectural details ensure they are charmingly attractive.

LIVING ROOM

Spacious and comfortable living spaces with immediate access to private patios overlooking views of the beautifully landscaped spaces.

The villas are elegantly fitted and decorated inspiring plenty of personal touches.

BEDROOM

Elegant and spacious, most bedrooms have their own en suite bathroom while the master bedrooms come with walk-in closets. Many have terraces and balconies to bring a touch of nature to the room.

KITCHEN

The kitchens are designed to spend time in. They are finished with marble work surfaces and equipped with high quality appliances.

ELEGANT SPACES

Antara is made for walking, surrounded by landscaped walk paths that connect different areas of the community.

There are children's play areas, pocket parks, and running tracks that all add to the sense of space and accessibility.
